

BECOME A SPONSOR

AND GET YOUR BUSINESS NOTICED

Support your local board by becoming a sponsor; the benefits for you and your company are well worth the cost of the sponsorship. As an organization that specializes in services related to the real estate industry, we would like to help you become familiar with the various benefits when becoming a BREB Sponsor.

Becoming a sponsor of The Brampton Real Estate Board offers many opportunities to work directly with people in the industry and those just entering the industry. Target market the audience that your business seeks.

Save Money: Advertising with BREB is affordable; Receive Member preferred rates to meetings, workshops, seminars and events.

Target Your Audience: Your logos and links are included on BREB's website viewed daily by our Members, Non Members and the public.

Make an Impression: When Members join BREB, mandatory New Member Orientation is held. On average there are up to twelve orientations per year with approximately 20 new Members (a great way to get your foot in the door from the ground up!).

Face to Face: There are various meetings and events held throughout the year which offer extra networking opportunities for you.

Deliver Your Message: BREB will display your promotional material onsite in three classrooms located at the Board Office. Additionally your material will be included in all new member packages.
