

I've been a BREB member for almost 8 years, throughout which time I've been working at Century 21 Millennium.

I am a mom of a 13 year old daughter and two fur babies. My family and I immigrated from Sri Lanka almost 30 years ago and found many opportunities for education and employment in Brampton. I truly enjoy the multi-ethnic neighbourhoods and give back to the community as often as possible. My passion is helping those living in poverty. I've volunteered at Regeneration Outreach, I am a mentor at a Job Club for Christians Against Poverty and together with my Brokerage, participate in Christmas for Families and children.

I've been a member of the Professional Standards committee at BREB since early 2017. I am an advocate for ethical standards and professionalism in real estate and would like to work towards improving these areas in our daily business practices. I have a Bachelor of Business Management Degree from Ryerson University. My past employment experience has been in various roles ranging from Customer service, Project coordination, Corporate Communications, Training and Human Resources. I bring to the table a willingness to take initiative, work together as a team and excellent communication and interpersonal skills. It would be my honour to serve you as a Director at BREB for the 2019-2020 term.
