

In May of 2012 I started my Real Estate career with BREB and my brokerage Century 21 Millennium Inc. Over the last 6 years it's been a whirlwind and I can truly say that Real Estate is a profession in which you can never stop learning and growing. With new legislation, technology and the ever-changing needs and expectations of clients I strive to be on the cutting edge of what's happening in our industry and informed in all aspects of the expectations of our profession.

Prior to becoming a licenced REALTOR® I worked in the hospitality industry for 12 years, and while not entirely interchangeable, aspects of the hospitality industry were easily transferable to that of my Real Estate career. Managing guest expectations and ensuring a seamless experience from start to finish is the foundation for any successful restaurant and much like in Real Estate client expectations are high. Clients demand and deserve a professional with a wealth of knowledge and an exemplary experience, and I strive to deliver on all aspects.

In 2016 I began serving my volunteer role on the Special Events Task Force with BREB. I'd be honored for the opportunity to serve as a Director. I would not only bring my knowledge to the Board and membership but also ambition, energy, new ideas, a willingness to share and most importantly learn!

Thank you for your support and consideration.
